

T&F4ALL – Track & Field, a race towards the future: inclusion in sport of young people from disadvantaged backgrounds

Project n. EPP-1-2019-1-IT-SPO-SCP

Dissemination event E1 – Genoa

20th March 2021 - Santa Maria di Castello

Feedback questionnaire

The feedback questionnaire for the first dissemination event was answered by 7 participants (three men and four women, age distributed between 20 and 59). They came from different organizations and had different professions such as: geographer, clerk, social worker. Three out of seven are postgraduate, and the other four graduate. Four out of seven participants came from Genoa and other two from Slovenia and Poland.

Three out of seven respondents knew about the event through a direct invitation of the promoting organizations, two through work, and two through friends and relatives.

How have you come to know about this dissemination event?
7 risposte

All the proposed activities were appreciated by respondents. In particular, the "international partner activities presentation" was particularly liked by five respondents out of seven, three of whom rated it very interesting. The same applies for "Research presentation: "IO1 Study about street track and field as a tool for social inclusion". Even greater was the appreciation for "workshop between participants on the implementation of track and field"

Were the activities or presentations interesting?
